LOCATION

E 10th St, NYC

TAGS

Garden, Terrace Patio

CATEGORIES

* In the Zone, Botanical Garden / Park

Notes

Film friendly, garden only, some restrictions apply

The back garden is approximately 125 feet long 30 feet deep

There is a pool (with a fountain that runs in the summer) in the center of the garden

The back facades of the the six buildings are all different and visually very interesting, the boxwood oval is planted with daffodils and periwinkle and is very beautiful in the spring
