This amazing Red Hook 2nd floor apartment of a townhouse, 1,600 sq ft duplex in a modern townhouse with concrete façade. All the furniture is a mid-century and the entire place has a modern sensibility, contemporary art, wood floor with hand-woven silk rugs. The walls are sheet rock painted and there are concrete details throughout, with 11-ft ceilings and south west sunlight. There is a wood burning fireplace and a deck off the 2nd story bedroom.

There is a raw space art studio with a large wall of windows at the entrance right across the street from the residence.

Fees are separate per space / please advise in advance what areas you would require
