## Notes

### Film friendly

Beautiful Queen Anne Victorian house that sits on a spectacular piece of property overlooking the Hudson River, and is situated directly across from West Point.

The house has an amazing wrap around porch facing the river. The kitchen and dining room open onto the porch. The landscaped lawns gently slope down to the pool and tennis court. The stand alone barn has a gym, 3 car garage, and attached guest house would accommodate a full catering set up. There is access via barn ramp.

### **Restrictions:**

All floors must be protected, booties must be worn over shoes
