Notes

A rock palace fit for any event. This theater has hosted concerts by legends such as the Grateful Dead, Rolling Stones, Janis Joplin and Pink Floyd. Recently, the venue underwent a multi-million dollar renovation, featuring state-of-the-art sound, projection and lighting equipment that creates an unparalleled event experience.

The theatre boasts a 65-foot domed ceiling, flexible standing or seated floor, elegant lobbies and a breathtaking balcony.

Restrictions:

- Areas of use determined in advance.
- Fees vary according to areas of use and size of shoot, etc.
- Some restrictions on moving furniture and changing artwork on walls.
- No nailing or painting on walls.
