CATEGORIES

* In the Zone, Loft, Store Showroom

Notes

Film Possible

This beautiful 25th Street showroom has great natural light that comes through tall windows, and high ceilings with beams. It has a small office, and kitchen area with a great refrigerator. The whole space has wood floors and pillars throughout.

The clothes in the space are not always there and they can change daily

Restrictions:

All floors must be protected, booties must be worn over shoes

Areas of use determined in advance
