Notes

Film friendly

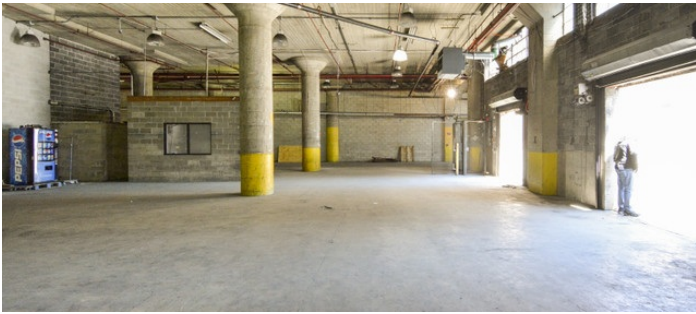

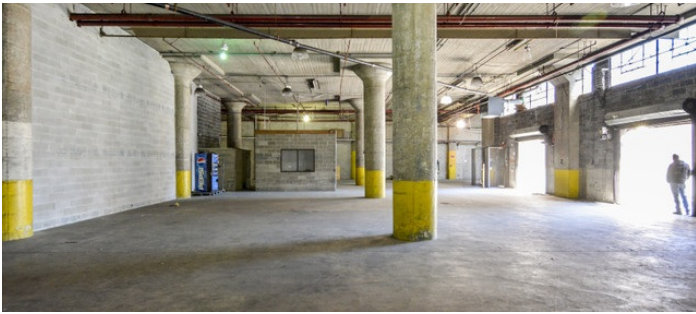

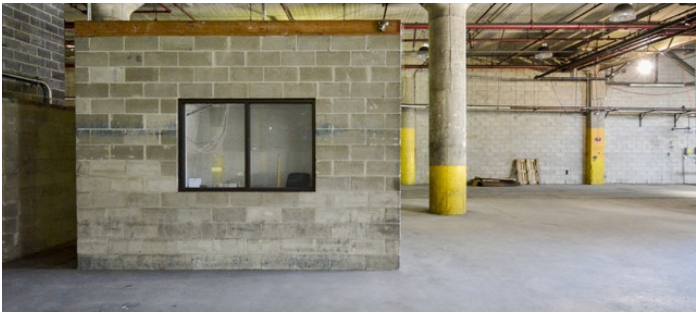

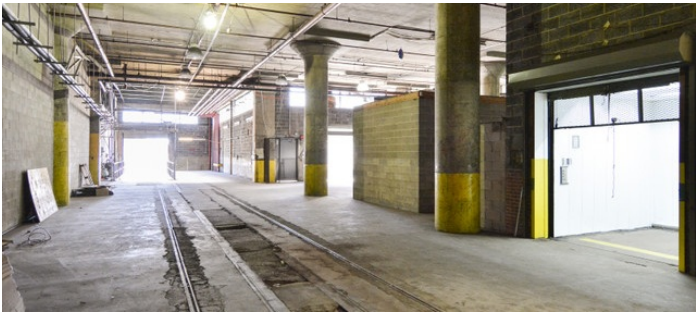

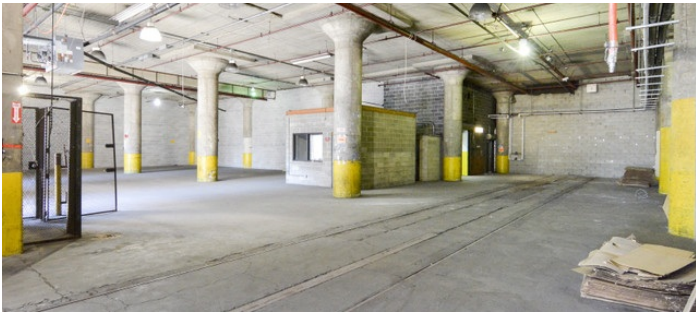

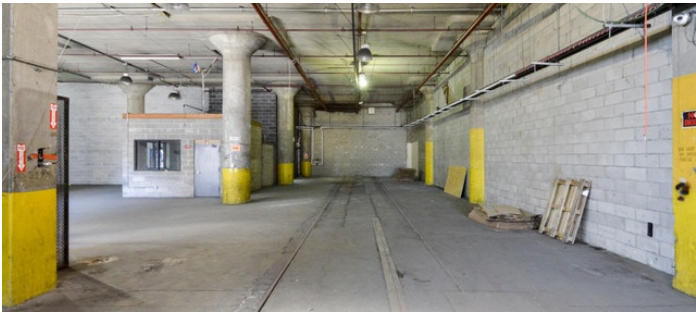

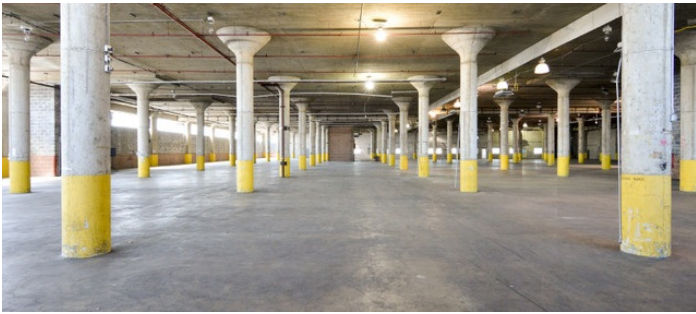

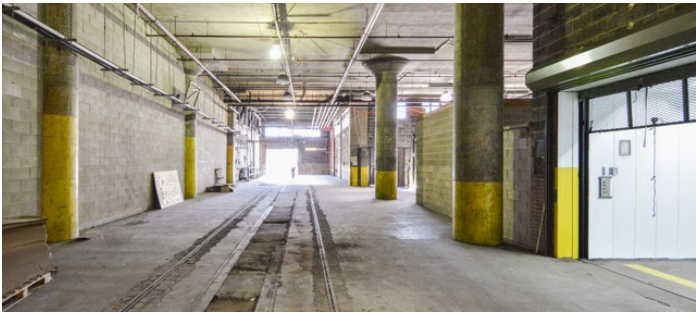

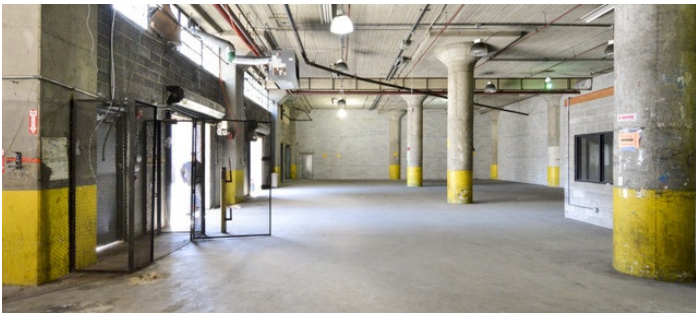

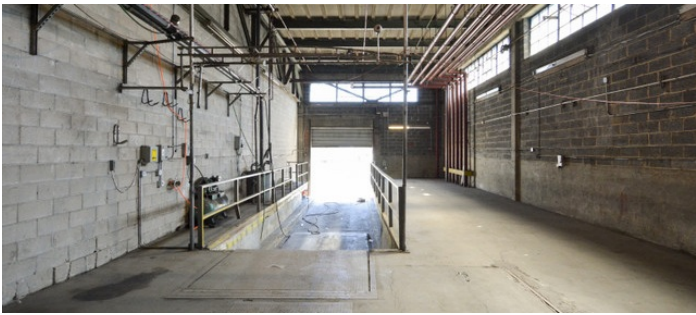

Located in the neighborhood of Red Hook, Brooklyn, with 125,000 sq feet of completely raw warehouse space and the industrial character of the building. This property consists of a series of buildings that were built beginning in the 1880's. The original use was a production warehouse for Lidgerwood Manufacturing which was one of the premiere ship building parts companies during the early 1900's. The existing structure of the building includes wooden trusses, exposed brick walls, high ceilings, large volumes, over-sized brick window openings and two courtyards.
