House, Restaurant / Cafe / Diner

Notes

Prefers Print

Farm property with house, barn, stable, pub and gas station.

The Pub is a separate building, has restroom facilities, it is mostly used for food preparation and serving during photo shoots. Productions will usually bring their own tables for larger crews to dine around outside on the square in front of the Pub.

The gas station has AC, heat, restroom, security alarm and power. Brand used does not impose on any existing brands or companies

Beautiful grounds, lake, brick floors, tiled floors, track lighting, arched ceilings, distressed walls, big yard, fencing, pool, wood beam ceilings, arched doorways, chandeliers, distressed floors, terrace, uneven ceilings, porch, bar, barns, artwork, French doors, kitchen island, colorful, pond, stables, Jacuzzi

Restrictions:

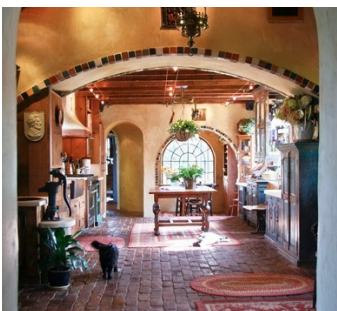

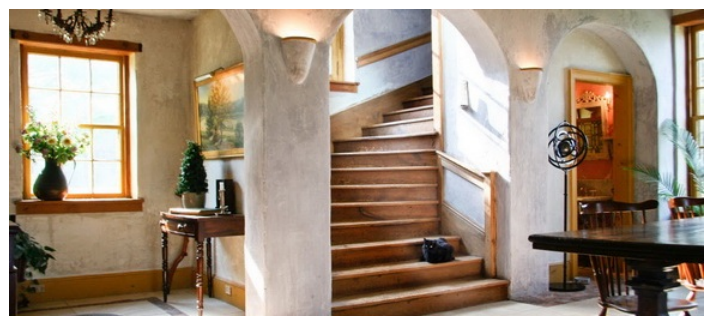

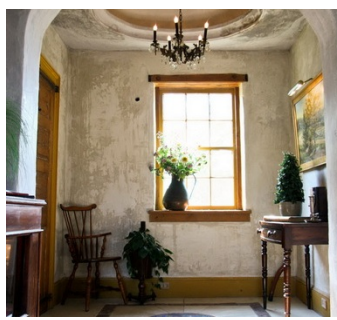

All floors must be protected, booties must be worn over shoes
