TAGS

Distressed Patina, Exposed Beam, Exposed Brick, Kitchen, Living Room, Rustic

SPECS

2,500 sq ft
16' ceiling height

CATEGORIES

Event Space, Loft, Studio, Warehouse / Factory / Industrial

Notes

This 2500 square foot photo studio, loft, event space was part of the old Fleetwood Shirt factory.

The historic location and architecture of the golden age of American industry and manufacturing has been preserved. With large windows on all sides, there is excellent natural light, along with an open floor plan with radiant heat, 16' ceilings with large, open wooden joists and a collection of restored vintage, industrial explosion proof lighting fixtures.

The ground floor space features distressed exposed brick walls, distressed wooden walls, concrete floor, industrial, antiques, high ceiling, country kitchen, adjacent to railroad (freight trains every 1-2 hrs)
