Notes

2-bedroom loft apartment on the 4th floor of a residential/commercial building. The style of the space is minimalist colorist north European. White walls, high ceilings, unique wood floor, lots of decorations and books, two bedrooms, 18 windows, open full kitchen, air conditioner and central heating.

There is another photo-studio in the building, so the building is very used to people coming in and out. There is passenger elevator in building, no freight elevator.

Restrictions:

No painting or nailing in walls.
