CATEGORIES

Notes

Spacious (1000 sq/ft) office filled with natural light and customizable to your needs. The desks and lounge can be easily rearranged for the most part, and there is space with white wall or brick wall background perfect for small photoshoots or working on, and planning your shoot on location in the neighborhood or in nearby studio.

Included with the space are the following amenities:

- 8 large desks & 2 small desks
- 1 - rolling table (fits 4-6 additional workstations, but also suitable for digital-tech for shoots)
- lounge with couch, table and 2 chairs (seats 5)
- 1 large wall-mounted TV, with Apple TV
- Printer. There will be a charge for excessive printing.
- 2 large computer monitors which act as an edit bay or presentation computer and connect wirelessly to the tv and sound system
- kitchenette (coffee+tea bar, fridge, microwave, glasses, mugs, serving dishes, plates, cutlery etc)
- hot/cold water dispenser / bring your own dishes etc. if setting up for lunch

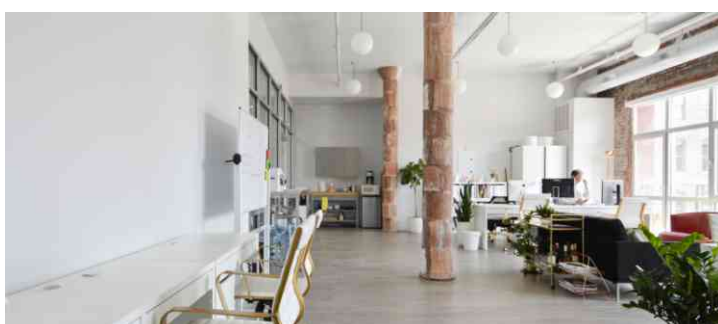

Restrictions:

Small shoots only - 13 people max.

No filming exteriors or other building areas without prior permission.

Edit Bay computer not to be unplugged/ monitors can be gently moved without unplugging if needed. Server on shelf not to be moved. TV is wall mounted so not moveable.
