Notes

Magnificent 1980s six-bedroom, six-and-a-half-bath, Georgian Manor on five landscaped and fully-fenced acres carved out of pristine woodland. This stately brick home features a large courtyard with ample parking, a steep slate-like architectural hip roof, and an imposing two-story portico with Corinthian columns. A breezeway connecting to a four-car garage leads to an expansive bluestone patio that wraps around the side and rear of the mansion with stone balustrade overlooking sweeping lawns.

Stepping stones lead to a scenic koi pond with waterfall on one side and on the other, a fabulous outdoor entertainment complex with heated pool and beautiful pool house with two bathrooms, a HarTru tennis court, and a secluded playground with jungle gym and trampoline.

6 bedrooms, 6.5 baths, large kitchen, and large combination living room and library.
