Centrally located, clean, modern, white spaces in the Hudson Yards district of Midtown Manhattan. This unparalleled raw venue consists of three unique spaces: the Gallery, the Studio and the Roof, each with its own distinguishing characteristics yet complimentary for a multi-level event.

The Gallery - The ground floor Gallery consists of a grade level, drive-in raw venue with dark concrete floors, white walls, high ceilings, a 25' professionally built cyclorama and three discrete entrances. With 5,200 usable square feet it is particularly suitable for a trade show, fashion presentation and cocktail receptions.

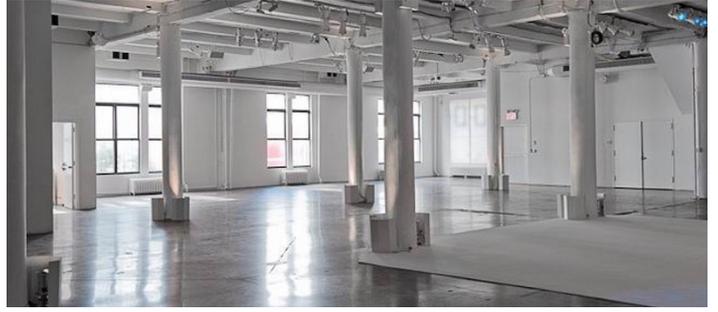

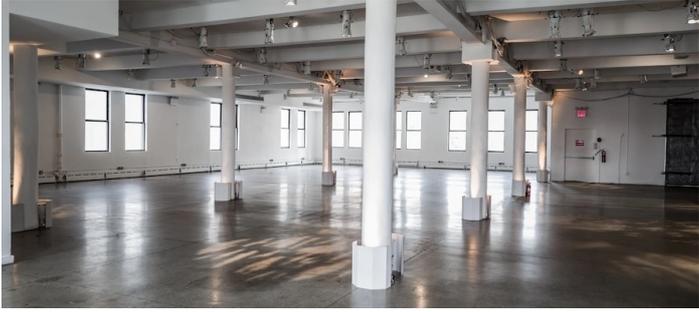

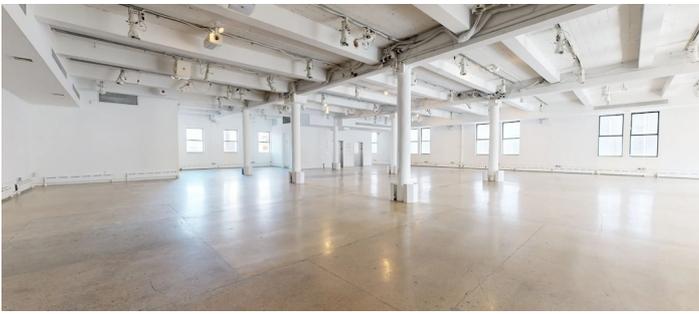

The Studio - The 6th floor Studio, accessed by a pair of private express elevators, is a 6,000 square foot raw venue with white walls and elegantly rustic concrete floors, 14' ceilings and natural light with three beautiful exposures.

The Rooftop is 5,000 square feet.
