Notes

A super private home built in 2020 sitting on 1 acre, backing up to a 40 acre nature preserve.

It has an open floor plan with a two story great room with 20’ ceiling height boasting views of the pool and nature preserve. The home has modern decor and a very minimalist color palette.

The backyard offers a covered patio with electric screens, a full outdoor kitchen, a lower patio with a brand new gunite pool and separate sunken hot tub, and bluestone staircases down to the lower yard and playground area.

Restrictions:

Prefer no shoes inside; please protect floors and bring shoe covers.

No nailing into walls. No painting of walls.
