Notes

Transportive, gorgeous, professionally-designed large open concept 2,000 square foot loft apartment, filled with inspiring antiques and one-of-a-kind furniture.

A baby grand piano anchors the main living area, surrounded by curated antiques, world treasures, and unique décor with a global artistic sensibility. Thoughtfully arranged plush seating, layered textiles, and striking statement pieces create an inviting yet luxurious atmosphere.

The kitchen blends rustic and industrial elements, enhanced by warm wood textures and an earthy color palette. The dining and living spaces flow seamlessly.

Other features include: library-like book collection, hand-selected artwork, tapestries, and vintage furnishings. Bedroom offers has high ceilings, exposed beams, and natural light.

Two blocks from the waterfront promenade in Greenpoint.

Restrictions:

No elevator; one set of stairs to climb to reach loft.

No painting. Requests to nail into walls must be approved in advance; walls must be returned to original condition after project completion.

Requests to move art and antiques must be approved in advance. Particular care should be taken with 1913 antique gramophone.
