Notes

Beautiful antique storefront with a large "secret garden" located in the center of Williamsburg.

Notable features include: restored antique facade with large glass windows, custom barn wood tables, oversized chesterfield sofa and 1,500 square foot garden with rose and ivy-draped walls and willow tree.

Repurposed church pews, and other gathered pieces are available to use for props.

The space has 6 Bose speakers installed offering sound from the front entrance to the back of the garden.

All furniture in the photos is included and is subject to change. Scout visit recommended.

Easy, seamless loading in/out.

Restrictions:

70 people max.

No painting of walls. No nailing into walls; OK to use pre-existing holes in walls.
