Notes

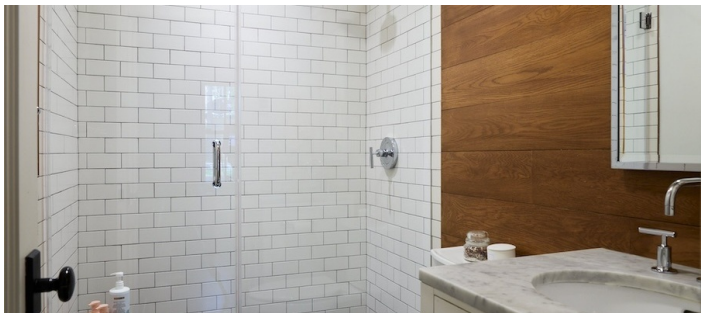

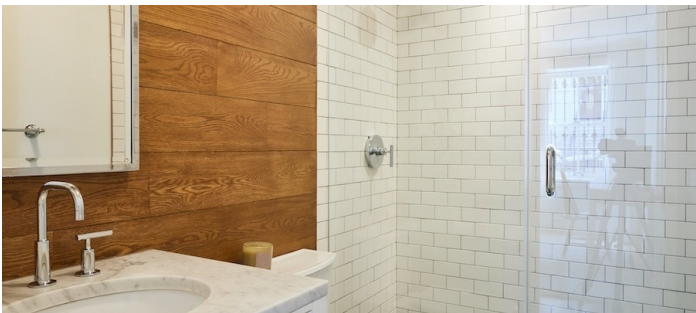

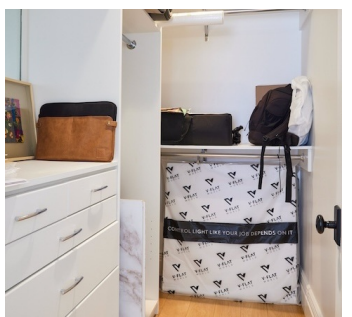

Serene 1899 Brooklyn brownstone spanning three floors and 2,300 square feet. This light-filled home features high ceilings, a thoughtful design, an indoor-outdoor kitchen with a vintage English Aga stove, retractable sliding doors opening to a backyard, and an all-white palette. Original red brick, exposed beams, skylights, and curated artwork from travels in South America and Greece add warmth and texture.

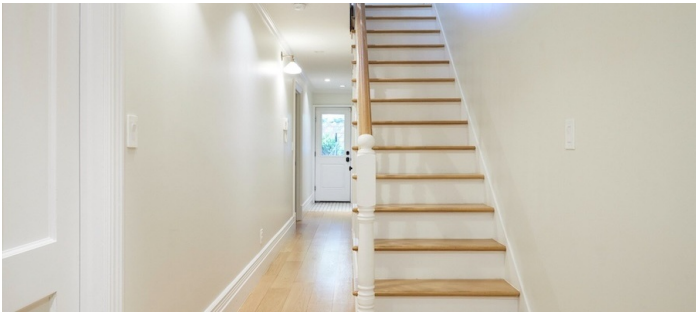

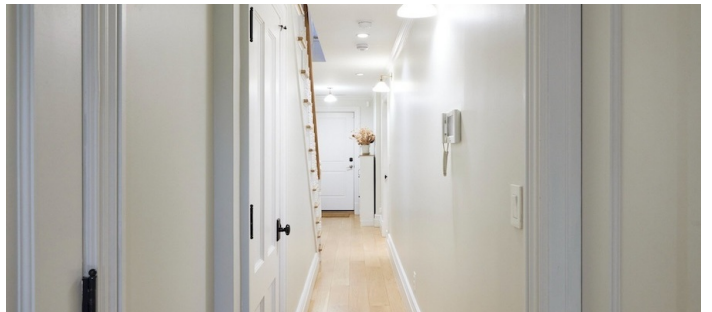

Amenities include three bedrooms, a private office, a nursery, and en-suite bathrooms designed by Studio Litho, central AC, WiFi, a projector, washer/dryer, and a front yard, backyard, and balcony.

Ideal for media productions, private events, team offsites, and meetings, the space offers flexible layouts for filming, breakout sessions, or dinner setups.
