Notes

Nestled in the heart of Tribeca, this elegantly appointed, 1,400-square-foot space with a custom chef’s kitchen offers the perfect setting for intimate dinners, cocktail gatherings, exhibitions, content creation, workshops, and launches.

With its light-filled corner location and refined design, the studio also serves as an ideal backdrop for photo shoots, video productions, editorial features, and more.

Thoughtfully curated to inspire connection and creativity.

Restrictions:

No painting or nailing into walls.
