Notes

Tucked away in the heart of the Lower East Side, this venue offers a trio of unique, artful spaces designed to bring unforgettable events to life. Whether you’re hosting a rooftop cocktail soirée, an intimate dinner, a brand launch, or a creative shoot, this venue blends downtown edge with refined hospitality.

Located on the ground floor is a 1,500 square foot restaurant-style event space, boasting an elegant yet industrial feel. With soaring ceilings, polished concrete floors, and gallery-style lighting, the space offers a fully adaptable layout with lounge furniture, dining tables, and gallery displays. Capacity: up to 100 seated, 250+ standing.

Hidden just off the cobblestone alley is a private outdoor courtyard with lush greenery, twinkling string lights, and a charming urban vibe. A true secret garden offering a serene setting for gatherings. Capacity: up to 100 seated, 200+ standing.

11th-floor rooftop bar, lounge and terrace features sweeping 360° views of the Manhattan skyline. This 2,000 square foot indoor-outdoor space blends downtown edge with minimalist design, featuring rotating street-art installations and a versatile layout. Capacity: up to 200 (95 seated).

Restrictions:

No painting or nailing into walls.
