Notes

Split level ranch style house built in 1969 flooded with light from 2 enormous sliding glass doors and a wall of windows on 2 sides. The kitchen space has soaring cathedral ceilings. Off the kitchen is a large screened in porch. A deck runs the whole length of the pond side of the house.

Upper level has living, dining and main bedroom plus library. There are 2 bedrooms and 2nd living room/ rec room on the lower level.

Living room is also very large and open plan. Has a very wide open white brick fireplace. Ceilings in this room are around 7.5ft. Bathroom and library off this room. House has 3 bathrooms total.

Swimming pool in summer. Heated by propane. Large open views across 6 acre pond and forest and open fields on the other side. Long driveway for parking, plus owner's field for extra vehicles.

Restrictions:

Floor protection required.

Requests to paint or nail into walls must be approved in advance; if approved walls must be returned to original condition.
