Notes

Cinematic warehouse arts venue in Bushwick, Brooklyn, designed for photo shoots, video productions, and creative events.

The space features exposed brick, distressed textures, and flexible open layouts that adapt easily for film sets, performances, and private gatherings. Artists, producers, and event planners use this location for its atmospheric lighting, industrial character, and convenient Brooklyn location.

There is a backstage area available for hair/mu and/or wardrobe. There is air conditioning in main space and backstage. There is heat in the main space.

Bookings are available for productions, showcases, and immersive experiences of all kinds.

**Restrictions:**

Limit of 250 people inside.

No painting of walls. No nailing into walls - prefer sticky hangers to nails.
