Red Hook, Brooklyn

SPECS

1,325 sq ft

10' ceiling height

Notes

1,325 square foot industrial chic loft in Red Hook bathed in natural light and featuring high ceilings.

This 2 bedroom, 2 bathroom loft has an open-plan layout designed to highlight the scenic views and sunlight. The kitchen boasts high-end Fisher Paykel appliances, custom cabinetry, and a large island with quartz countertops. Other features include white oak wide-plank flooring and 10' exposed concrete ceilings.

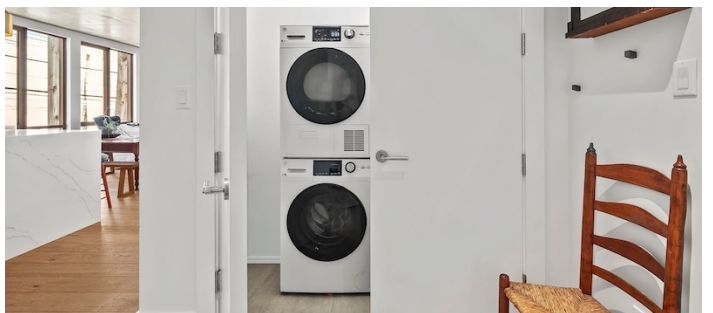

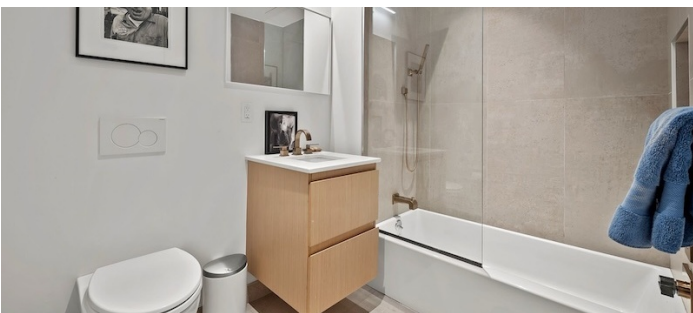

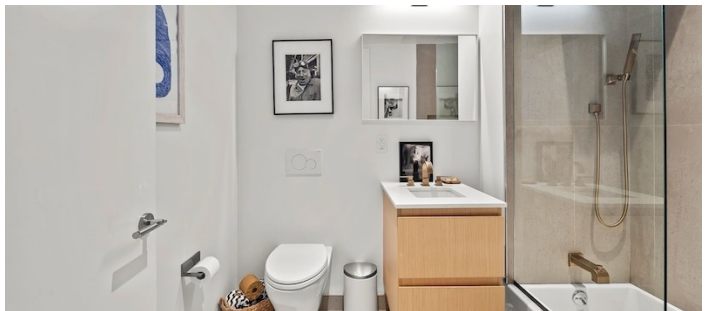

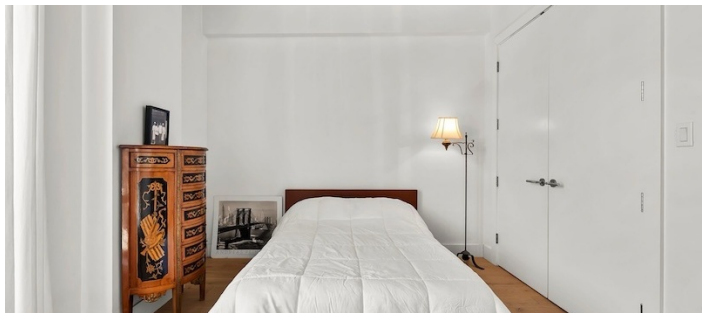

Both bedrooms are generously sized, with the primary suite offering a spa-like bathroom complete with a ceramic tile feature wall and ivory porcelain tiles. The second bedroom is similarly well-appointed with elegant natural tile accents and en-suite facilities.

5,000 square-foot rooftop deck for residents, beautifully landscaped with BBQ facilities and breathtaking panoramic views of the water, Manhattan, and the Statue of Liberty.

Restrictions:

The roofdeck must be cleared additionally with the building.
