Notes

Classic Connecticut country estate from early 1900's set on 8 private acres.

This 5 bedroom, 7 bath house has 2-story family room with antique floor to ceiling stone fireplace, architectural beams; 2 dramatic octagonal light-filled rooms used as formal living room and office; 40-foot long indoor swimming pool and space with spectacular stone surround; English glass conservatory with home gym/lounge area; 2 antique barns/garages; Ivy clad English country stone studio cottage near the pond; Antique cupolas at both ends of main house. Kitchen has sophisticated country aesthetic, Lacanche range and Italian marble island.

There is also a stone koi pond. Two gated entrances onto gravel drives and parking; the guest entrance provides parking for many vehicles.
