## Notes

New construction house with generous open spaces, abundant natural light, and refined architectural details throughout. This elegant home features a dramatic double-height foyer with soaring ceilings, oversized windows, and timeless black-and-white marble floors that create a grand, cinematic entrance.

The property includes an oversized chef's kitchen designed for both beauty and functionality, a formal dining room seating up to 16 guests, and both formal living and family rooms that provide multiple versatile filming environments.

There is a finished basement that can be used for staging wardrobe or hair/makeup.

Outdoors, this sophisticated home features a large pool and Jacuzzi, a fully equipped pool cabana with appliances, expansive outdoor seating areas, lounge spaces, and beautifully landscaped grounds that offer additional lifestyle and entertainment settings.

Located near Long Branch, NJ and just a 5-minute drive to the beach.

**Restrictions:**

Floor protection required for equipment and pass through areas. Shoe covers requested.

No painting or nailing into walls.
