## Notes

Expensive, Film friendly

This exceptionally gracious sprawling full floor 1860s cast iron loft offers a flexible plan and approximately 6,500 square feet of awe-inspiring dramatic design.

Once a showroom for a leading New York City 19th Century jeweler. It has double height 17-foot exposed brick vault ceilings supported by 6 original Corinthian columns and almost 12-foot tall windows.

Italian style, carrera marble, colorful, columns.

All art can be moved, with care.

**Restrictions:**

No shoes (booties over shoes permitted), floors protected

Bedrooms and office off limits unless approved in advance
