Notes

Exquisite Colonial nestled on a private, park-like 4-acre estate at the end of a tranquil cul-de-sac. Adorned with blue stone pillars and a spacious circular driveway, this home exudes elegance and charm.

The main entrance foyer is flooded with natural light, showcasing the expert craftsmanship of the magnificent stairwell. The first floor has eat-in kitchen with a large, honed granite island. The living room features custom millwork and fireplace; family room has vaulted ceilings, stone fireplace, and custom bar. The first floor also has a large bedroom.

The second floor includes a primary bedroom with a fireplace and a large ensuite bathroom. Four additional bedrooms and two full baths finish the second floor, along with a spacious office/den space. The lower level/basement includes a billiards room, workout room and second family room; basement can be used for hair/makeup/wardrobe.

The grounds include a multi-use sports court with tennis and basketball, complemented by a covered gazebo. A spacious Trex deck wraps around the back of the house, leading to a fire pit area.

Restrictions:

No painting of walls. Requests to nail into walls must be approved in advance and walls returned to original condition upon project completion.
