Notes

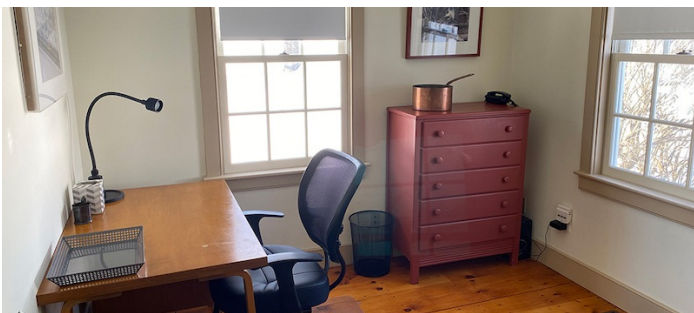

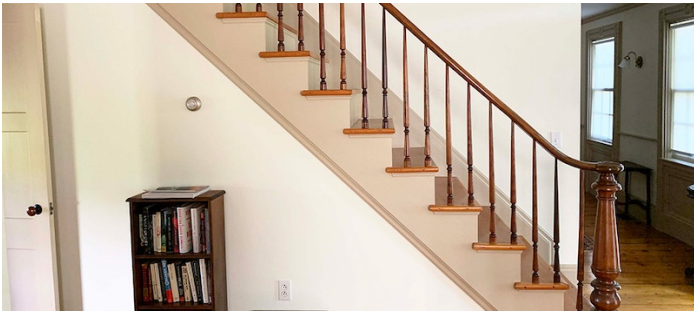

Renovated colonial farmhouse maintains an historic appearance and is furnished with rustic antique furniture. It is surrounded by multiple barns (a large red cow and hay barn; a red, elongated chicken barn, a gray weathered corn crib and garage barn). The house sits on a property of 100 acres of farm fields and woods. The land rises gently behind the house. There is a magnificent white oak tree which is a bit of a hike to get to.

Restrictions:

Requests to nail into walls or to paint walls must be approved in advance and could incur additional fee. Walls must be returned to original condition.
