## Notes

Film friendly

Studio located by the water front of Williamsburg Brooklyn.

There is a full kitchen, and bathroom, clients lounge, and Wifi connection with Hair and Make-up station, styling rack, and steamer. ACME prop and set design shares our building and can conveniently provide you with a excellent options to prop your shoot.

A new rope and pulley system, allows paper, canvas or green screen backgrounds up to 12ft wide to be raised straight to the ceiling. Two new movable 10ft x 10ft walls can be positioned anywhere in the studio, using fold-out jacks that are built right in.

Fall and Winter provide amazing daylight as the sun lights up our South and West facing exposure.
