Notes

High-design gallery and gathering space on a historic block in NYC's SoHo neighborhood.

The space consists of an entry vestibule and 3 different rooms that showcase custom-made furniture, lighting and art throughout. The space is painted several shades of green and boasts an operable horseshoe bar with 8 barstools.

The basement serves as the venue's "back of house", complete with a catering-style kitchen with fridges, a freezer, glassware, speed racks, bar fridges, sinks, glassware dishwasher, induction burners and a warming oven.

Freight elevator available. Door is 40" w x 74" h; elevator cab is 60" square and height is 96".

Restrictions:

Max limit of 150 people inside.

No painting or nailing into walls.

Venue has exclusive vendors.

No "hard" cooking (creating significant smoke or fumes) is permitted.
