

 LOCATION

Brooklyn, NY

 CATEGORIES

* In the Zone, Carriage House, Event Space, Loft, Studio

 TAGS

Empty, Exposed Brick, Kitchen, Raw Industrial, Skylight

Notes

Film friendly / Event friendly

Originally built in 1902 this carriage house loft with original details and a minimal rustic feel is accessible through a private ivy lined alley. Exposed brick and white floors. The backyard has two large maple trees and native plants, and there's also a bedroom with plank wood floors.

Skylights in each of the main spaces (kitchen and studio) and Northern exposure fill the space with beautiful daylight.
